~~An Air Conditioning Bedtime Story~~
Yet Another
WITH A HAPPY ENDING

Once upon a time

or **Sometimes** it seems that almost every other day, there is an advertisement for Air Conditioning Tune-Ups for \$19.95 or \$29.95. What does anyone really think they get from a Service

Company for **\$29.95?? Fahgetaboutit!**

GO BUY LOTTO TICKETS and help someone to get an education.

✓ Blah Blah Blah

(Add a lot of things to the list that are repetitive but only said another way)

✓ Blah Blah Blah

(Most motors are sealed and cannot be oiled)

✓ Blah Blah Blah

(Many thermostats are digital or programmable and cannot be calibrated)

✓ Blah Blah Blah

(Your thermostats cannot be calibrated again and it should be)

✓ Blah Blah Blah

(Service Tech is really a commission paid salesperson dressed like a mechanic)

✓ Blah Blah Blah

(Your system needs extensive repairs - maintenance will not help this time)

✓ Blah Blah Blah

(You would be better off financially if you replaced the old equipment)

✓ Blah Blah Blah

(You may have some mold forming in your system and you need a BLAH BLAH BLAH")
